OPENING SESSION: SYMPOSIUM 1
Chair: Jan Scholten
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0001. Effectiveness of cognitive behavioral group therapy, psychodynamic and their integration for treatment of social anxiety disorder: A randomized controlled trial
Patricia Zurita Ona, Universidad Autónoma de Nuevo León
Claudia Sepúlveda, Universidad Autónoma de Nuevo León
Ana Cristina Garza Mendoza, Universidad Autónoma de Nuevo León, Facultad de Psicología, Monterrey, Mexico
Mónica Enríquez Sepúlveda, Universidad Autónoma de Nuevo León, Facultad de Psicología, Monterrey, Mexico
Jorge Alberto Cantú Cárdenas, Universidad Autónoma de Nuevo León, Facultad de Psicología, Monterrey, Mexico
Mirtha Cervantes Rodríguez, Universidad Autónoma de Nuevo León, Facultad de Psicología, Monterrey, Mexico
Mirtha Cervantes Rodríguez, Universidad Autónoma de Nuevo León, Facultad de Psicología, Monterrey, Mexico

0002. Psychological distress in people with Parkinson's disease: A Meta-Analytic Study
Ana Lara, University of Manchester
Jon Stoodley, University of Manchester

0003. The Mediating Role of Interpersonal Functioning and Metacognitive Perfectionism in the Relationship between Perfectionism and Affective Psychological Distress
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Adina Fiuza, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Marcia Spinhoven, University of Amsterdam, the Netherlands
Marcia Spinhoven, University of Amsterdam, the Netherlands

0004. Effectiveness of a transdiagnostic transdiagnostic intervention for people with psychosis from African and African Caribbean backgrounds: Case analysis from a pragmatic randomised trial
Gregory Leighton, University of Manchester
Gregory Leighton, University of Manchester
Tom Burns, University of Oxford
Gregory Leighton, Bethesda Community Mental Health Center

OPENING SESSION: SYMPOSIUM 2
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0005. Coping Patterns and Mental Childhood Experiences: The Mediating Role of Anxious Rejection, Irrational Beliefs
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Adina Fiuza, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Marcia Spinhoven, University of Amsterdam, the Netherlands
Marcia Spinhoven, University of Amsterdam, the Netherlands

0006. An Integrated Cognitive Behavioral Therapy Program in Consultation with a Dragonfair for Behavioral Activation Against Procrastination: A Case Report
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0008. Quality Assessment of Cognitive-Behavioral Therapy: Therapist Adherence and Competence, and Patient Outcomes for Depression and Anxiety: A Systematic Review and Meta-Analysis
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University

0009. Childhood trauma, dominance of uncertainty, functional impairment and worry in patients with generalized anxiety disorder
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Adina Fiuza, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Ana Sofia Pereira, Universidade Católica Portuguesa
Marcia Spinhoven, University of Amsterdam, the Netherlands
Marcia Spinhoven, University of Amsterdam, the Netherlands

0010. T-DAO: European Augmented Transfer Imagery Accelerators to Rehabilitate Motor Cognition as an Add-on to CBT and Behavioural Activation Treatment
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0011. Mental Health Outcomes Associated with CBT Sessions: An Investigation of the Minority Stress Hypothesis
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University
Jeffrey Lenferink, Utrecht University

OPENING SESSION: SYMPOSIUM 3
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0012. Self-Compassion and Emotional Intelligence in Psychology Students: Implications for Mental Health
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0013. Mental Health Outcomes Associated with Psychiatric Nursing Interventions: A Systematic Review
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0014. Mediation Role of Emotional Regulation in the Relationship between Parentification and Co-Dependency
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0015. Assessing the Role of Anxious Rejection in the Relationship Between Parentification and Co-Dependency
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0016. Associations between psychological tendencies in intimate relationships and positive outcomes
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0017. Investigation of the Neurochemistry of Mindful Eating with fMRS: Depression and Anxiety Symptoms in University Students
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 4
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0018. Enhancing positive cognitive coping potential proved to be the treatment of depression symptoms: A randomized controlled trial
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0019. Network Analysis of Obsessive-Compulsive Symptoms (OCS) Following the COVID-19 Pandemic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0020. Effectiveness of a Blended Cognitive Behavioral Intervention for Delusional Family Caregivers: Primary Outcome Results of the RelEvaS Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0021. Examining the Potential of a Breath Pacer as Adjunct to Cognitive Behavioral Therapy: Case Studies in Digital Health for Mental Well-Being
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0022. Investigation of the Neurochemistry of Mindful Eating with fMRS: Depression and Anxiety Symptoms in University Students
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 5
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0023. Enhancing positive cognitive coping potential proved to be the treatment of depression symptoms: A randomized controlled trial
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0024. Network Analysis of Obsessive-Compulsive Symptoms (OCS) Following the COVID-19 Pandemic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0025. Effectiveness of a Blended Cognitive Behavioral Intervention for Delusional Family Caregivers: Primary Outcome Results of the RelEvaS Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0026. Examining the Potential of a Breath Pacer as Adjunct to Cognitive Behavioral Therapy: Case Studies in Digital Health for Mental Well-Being
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0027. Investigation of the Neurochemistry of Mindful Eating with fMRS: Depression and Anxiety Symptoms in University Students
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 6
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0028. Psychometric Properties of Clinical Insight in First-Episode Psychosis: Different Patterns in Male and Female Patients
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0029. Development of The Program for The Prevention of Occupational Burnout of Employees Using the Methods of Cognitive-Behavioral Short-Term Psychotherapy and Cognitive-Behavioral Coaching
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0030. The Cross-cultural influence of early anxious-ambivalent attachment theories on psychological and social consequences in a large ethnically and culturally diverse urban sample
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0031. Understanding Amongst Appearance: Self-enthusiasm indirectly affects eating disorder and obsessive-compulsive symptoms through different facets of self-compassion
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0032. Body dissatisfaction in children's dolls: Do 'cute' proportions protect against appearance comparison on social media?
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0033. Examining the whole plate: the role of the family context in the explanation of children's food refusal behaviour
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0034. Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0035. Examining the whole plate: the role of the family context in the explanation of children's food refusal behaviour
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0036. Investigating the effectiveness of acceptance and commitment therapy in insomnia and psychological flexibility in people with chronic pain attending a tertiary pain clinic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0037. Experiences of the Group Attention Training Technique for Anxiety and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0038. Development and Psychometric Evaluation of the Cognitive Behavioral Therapy for Chronic Disorder-Life Quality Questionnaire (CBT-CDQ)
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0039. Exploring the Role of Cognitive Behavioral Therapy for Insomnia and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0040. Investigating the effectiveness of acceptance and commitment therapy in insomnia and psychological flexibility in people with chronic pain attending a tertiary pain clinic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 7
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0041. Approved Mindful Exposure Therapy for the Treatment of Drug Phobia: A Pilot Clinical Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0042. Is Cognitive Bias Key to Personalized Mood Classification for The Behavioral Cognitive Therapy for Panic Disorder via Quality Voluntary Micro-Mid Expressed Daily Diaries
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0043. Evaluation of Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0044. Investigating the effectiveness of acceptance and commitment therapy in insomnia and psychological flexibility in people with chronic pain attending a tertiary pain clinic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0045. Experiences of the Group Attention Training Technique for Anxiety and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0046. Development and Psychometric Evaluation of the Cognitive Behavioral Therapy for Chronic Disorder-Life Quality Questionnaire (CBT-CDQ)
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0047. Exploring the Role of Cognitive Behavioral Therapy for Insomnia and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0048. Approved Mindful Exposure Therapy for the Treatment of Drug Phobia: A Pilot Clinical Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0049. Is Cognitive Bias Key to Personalized Mood Classification for The Behavioral Cognitive Therapy for Panic Disorder via Quality Voluntary Micro-Mid Expressed Daily Diaries
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 8
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0050. Reliability and Validity of Clinical Cognitive Questionnaires
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0051. A Unified Approach to Psychotherapy: Qualitative Case Analysis of Cognitive Behavioral Cognitive-Affective Neurointegrative Therapy (CABCANT) for Depression
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0052. Cognitive Behavioral Therapy with Psychological Flexibility Model for Work Stress Management
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0053. The Role of Subjective Cognitive Dysfunction in Anti-Tobacco Normative Beliefs
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0054. The Effect of Cognitive Behavioral Cognitive Behavioral Therapy: A Brief Intervention Program for Post-Traumatic Stress Symptoms
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0055. The Effect of Cognitive Behavioral Cognitive Behavioral Therapy: A Brief Intervention Program for Post-Traumatic Stress Symptoms
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0056. Effects of Anxiety, Depression and Psychological Inflexibility on Sleep Quality in Patients with Cataract
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 9
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0057. Cross-cultural influence of early anxious-ambivalent attachment theories on psychological and social consequences in a large ethnically and culturally diverse urban sample
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0058. Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0059. Understanding Amongst Appearance: Self-enthusiasm indirectly affects eating disorder and obsessive-compulsive symptoms through different facets of self-compassion
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0060. Body dissatisfaction in children's dolls: Do 'cute' proportions protect against appearance comparison on social media?
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0061. Examining the whole plate: the role of the family context in the explanation of children's food refusal behaviour
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0062. Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0063. Investigating the effectiveness of acceptance and commitment therapy in insomnia and psychological flexibility in people with chronic pain attending a tertiary pain clinic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0064. Experiences of the Group Attention Training Technique for Anxiety and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0065. Development and Psychometric Evaluation of the Cognitive Behavioral Therapy for Chronic Disorder-Life Quality Questionnaire (CBT-CDQ)
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0066. Exploring the Role of Cognitive Behavioral Therapy for Insomnia and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0067. Approved Mindful Exposure Therapy for the Treatment of Drug Phobia: A Pilot Clinical Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0068. Is Cognitive Bias Key to Personalized Mood Classification for The Behavioral Cognitive Therapy for Panic Disorder via Quality Voluntary Micro-Mid Expressed Daily Diaries
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 10
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0069. Reliability and Validity of Clinical Cognitive Questionnaires
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0070. A Unified Approach to Psychotherapy: Qualitative Case Analysis of Cognitive Behavioral Cognitive-Affective Neurointegrative Therapy (CABCANT) for Depression
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0071. Cognitive Behavioral Therapy with Psychological Flexibility Model for Work Stress Management
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0072. The Role of Subjective Cognitive Dysfunction in Anti-Tobacco Normative Beliefs
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0073. Effects of Anxiety, Depression and Psychological Inflexibility on Sleep Quality in Patients with Cataract
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

OPENING SESSION: SYMPOSIUM 11
Chair: Tayla Nienhuis-Knegt
CET: 10:00 - 10:30
MDT: 02:00 - 02:30
Main Hall - 10:00 - 10:30

0074. Cross-cultural influence of early anxious-ambivalent attachment theories on psychological and social consequences in a large ethnically and culturally diverse urban sample
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0075. Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0076. Understanding Amongst Appearance: Self-enthusiasm indirectly affects eating disorder and obsessive-compulsive symptoms through different facets of self-compassion
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0077. Body dissatisfaction in children's dolls: Do 'cute' proportions protect against appearance comparison on social media?
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0078. Examining the whole plate: the role of the family context in the explanation of children's food refusal behaviour
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0079. Cognitive Behavioral Therapy Model Applied to Hyper-anger as Coping Behavior in Overweight Individuals
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0080. Investigating the effectiveness of acceptance and commitment therapy in insomnia and psychological flexibility in people with chronic pain attending a tertiary pain clinic
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0081. Experiences of the Group Attention Training Technique for Anxiety and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0082. Development and Psychometric Evaluation of the Cognitive Behavioral Therapy for Chronic Disorder-Life Quality Questionnaire (CBT-CDQ)
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0083. Exploring the Role of Cognitive Behavioral Therapy for Insomnia and Depression in Patients with Coronary Heart Disease: A Qualitative Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0084. Approved Mindful Exposure Therapy for the Treatment of Drug Phobia: A Pilot Clinical Study
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair

0085. Is Cognitive Bias Key to Personalized Mood Classification for The Behavioral Cognitive Therapy for Panic Disorder via Quality Voluntary Micro-Mid Expressed Daily Diaries
Tayla Nienhuis-Knegt, Dragonfair
Tayla Nienhuis-Knegt, Dragonfair
